Local Financial Advisor Completes Advanced Training from America's IRA Experts at Ed Slott and Company, LLC

Members of Ed Slott's Master Elite IRA Advisor GroupSM Attend Semiannual Workshop on the Latest Retirement Account Planning Strategies, Estate Planning Techniques and Tax Laws

Chatham, MA – May 10, 2024 – Jane Bourette, Owner of Coast to Coast Financial Planning, LLC completed her semiannual training with America's IRA Experts at Ed Slott and Company, LLC by participating in a workshop that took place May 9-10, 2024. The invite-only workshop was attended by members of Ed Slott's Master Elite IRA Advisor GroupSM; it provided in-depth technical training on advanced retirement account planning strategies, tax law changes and estate planning techniques. The workshop also featured the latest updates on the SECURE 2.0 Act provisions that are taking effect in 2024 as well as an overall "schemes and scams" theme as guest speakers discussed different types of scams and for what you should watch out.

"As new laws and policies continue to go into effect, the landscape of retirement planning continues to shift, presenting both opportunities and complexities which result in more confusion than ever before for many Americans. This has ultimately raised the demand for heightened attention from both consumers and advisors alike when it comes to financial planning," said Ed Slott, CPA, founder of Ed Slott and Company, Professor of Practice at The American College of Financial Services[®] and nationally recognized IRA Expert who was named "The Best Source for IRA Advice" by *The Wall Street Journal*. "In this environment of perpetual change, advisors play a crucial role as guardians of financial security," he continued. "I commend Jane for continuously prioritizing her education and going above and beyond to deliver informed and accurate financial guidance to her clients in a time when it's needed most. With this ongoing training, Bourette can be ahead of the latest legislative developments and innovative strategies to empower clients to navigate the evolving terrain of retirement planning with confidence and clarity."

Training highlights from this event include:

- An updated look at the SECURE 2.0 Act, including provisions that take effect in 2024 such as:
 - Three new ways to potentially access retirement dollars while avoiding the 10% early distribution penalty (emergency expenses, domestic abuse, and "in-plan emergency savings accounts")
 - 529-to-Roth IRA rollovers
 - The ability to exempt Roth plan dollars – like in a 401(k) – from the lifetime required minimum distribution (RMD) calculation

- An advanced look at Roth SEP plan and Roth SIMPLE plan contributions as both were available in 2023 due to the SECURE 2.0 Act; however, the actual implementation proved difficult for many
- “Red flag” scams to avoid including:
 - Using multiple entities to conceal illegal transactions within an IRA
 - Making unrealistic claims
 - Using legal tax breaks to make an investment opportunity sound legitimate
- A comprehensive IRA update on the latest IRA tax laws changes, new tax strategies, rulings, court cases and planning opportunities
- A special presentation by guest speaker Robert Powell, CFP®, RMA®, Editor/Publisher of Retirement Daily on TheStreet discussing safeguarding wealth and navigating today's most perilous scams and schemes

Guest speaker Joseph Clark, CFP®, with Financial Enhancement Group Trust Services hosted a breakout session on legacy plans, while guest speaker David Hays with Comprehensive Financial Consultants, hosted another breakout session on creating and maintaining a great business. Guest speaker Shannon L. Evans, J.D. presented on how to stress test estate plans. Members also reviewed relevant, advanced case studies and private letter rulings.

A special presentation was also made announcing the upcoming release of Slott’s new, highly anticipated book, “The Retirement Savings Time Bomb Ticks Louder.” Currently available for preorder, the book is the ultimate guide to reclaiming control of your financial future and keeping more of your money—no matter what Congress comes up with next. With fully up-to-date information, including updates stemming from the SECURE 2.0 Act, this book provides an easy-to-follow plan that is an entertaining and informative must-read for any American with a retirement savings account.
